Integrated Solutions for:
Access Control and Business Automation

Multi-purpose solutions that deliver the ability to regulate and protect employees and assets.

Emergency Mustering

An affordable and easy-to-use emergency management solution, customizable to suit any business.

- Automatically keep track of people as they pass in and out of a door
- Utilizes a mobile tablet
- Quickly account for people at muster stations
- Identify missing staff, visitors, and contractors
- Pinpoint a missing person's last location

Large-Screen Digital Signage

Large-screen solutions to display critical information, viewable at a glance.

- Display the in/out status of staff or visitors
- Large format display boards 32"-55"
- Utilize information from door swipes
- Updates from door swipes
- Updates using a mobile device, app, web browser, or kiosk.
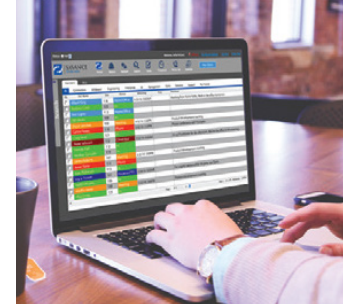

Meeting Room Displays

Digital signage systems with optional touchscreen. View and reserve rooms on-the-spot, or from a PC or smartphone.

- Badge can be used to reserve a room or take attendance
- Update staff status, such as "In a Meeting" upon entering the conference room

Staff Tracking

Easy and flexible electronic in/out board, allowing employees to sign in and out of the office as they come and go.

- When staff come and go through the doors, their status is automatically updated to "In" or "Out" for communication or accountability purposes.

Time & Attendance

Electronic timesheet solution that automates data collection, and processes payroll quickly and accurately.

- Credentials can be swiped at a door, or at a dedicated kiosk using a badge
- Staff is automatically tracked
- Export data to Paychex, ADP, or the company's own HR system

Visitor Management

Customizable and easy-to-use electronic visitor management solution that streamlines the visitor process for any business.

- Electronic check-in solution to streamline and automate visitors
- Assign temporary badges
- Track visitors for audit or emergency purposes
- Print and dynamically activate badges to grant access
